## ABOUT US

Rigza Services is a distinguished provider of manpower specializing in the fields of Airport, Railway, Construction, and Safety consultancy. With a strong commitment to excellence, we provide our esteemed clients with an array of accomplished teams of professionals who cater to their needs and demands. From installing and maintaining cutting-edge technology of baggage handling systems and passenger boarding bridges in the Airport to operating intricate telecom and signaling in the Railway, as well as the realization of visionary construction projects and safety consultancy. Our company stands for and champions delivering extraordinary solutions with unmatched sophistication.

Nothing is stronger than the will to succeed, for they say those who have a way to do it anyhow. And so do we, for we aim to bring world-class services to our customers through highly trained professionals. We are driven by a collective vision of our professionals who are dedicated to delivering services surpassing industry standards in terms of quality and expectations. Our seasoned teams who excel in the extensive gamut of the Airport, Railway, Construction, and Safety Consultancy business will ensure that your dreams are executed seamlessly. So we promise to bring you the epitome of harmonious convergence of beauty and functionality culminating in extraordinary outcomes.

## OUR STORY

Formally Established On the 15th of December 2017

The dream of RIGZA has been to provide a comprehensive solution beyond expectations. By leveraging cutting-edge technology, meticulous management, and diverse talents we want to forge relationships based on trust, integrity, and mutual success.

With the help of former experts from various departments in the Airport and CPWD, we are now embarking on this journey to bring evolution and change through RIGZA.

One professional and one project at a time, we aim to provide outstanding services to every believer. And now, years later this dream of ours has taken shape and ready to fulfill the dreams of others, inspiring a bunch of professionals who make an impact.

## MEET OUR TEAM

### **DEVI HARIKA PALACHOLLA**

Our esteemed director, with her visionary leadership and unwavering pursuit of excellence heads our organization. With great precision and profound insights, she steers us on the path to success. Her commitment to perfection inspires each of our fellow members and staff, illuminating and enlightening them.

### **GEORGE FERNANDES**

One of our core team members, and a seasoned professional has been a member of the Airport Authority of India (formerly IAAI), one of the veterans to be actively involved in the first PBB project of the Airport Authority of India. Since then he has been immersed in "PBB Installation, Operations & Maintenance" of the same. His profile also contains the shiny plume of working at Mumbai International Airport, one of the biggest and busiest Airport in the country. He is a certified PBB operator trainer from all reputed PBB manufacturers. Again he is the part of the exceptional team who worked in installation, calibration and maintenance of Visual Docking Guidance system (VDGS) as per as ICAO norms when it was commissioned in 2004.

### **DINESH SHARMA**

Another contemporary and avid viewer of the PBB installation in India under AAI, has been working with AAI and GVK both as a professional and consultant. He is certified PBB operator trainer from all reputed PBB manufacturers. With numerous projects to his hat, like his excellent work at Mumbai International Airport and his involvement in installation, calibration and maintenance of Visual Docking Guidance system (VDGS) as per as ICAO norms when it was commissioned in 2004, his experience and expertise have been a light to us.

### **ASHOK M RUIKAR**

Another core member of our team is an expert in Baggage Handling System, and has worked for joint Airport Authority of India and GVK until his retirement in 2013 after which he worked with private company Naval Engineering for operations and maintenance of PBB till 2016. He, again, has been a member of the the team at Mumbai International Airport, and was also was an active participant of VDGS installation, calibration and maintenance team when it was commissioned in 2004.

## OUR VISION

At Rigza Services, we dream to emerge as the most sought partner for Airport, Railway, and Construction companies seeking manpower of the highest degree in terms of quality and professionalism. We aspire to establish ourselves as industry leaders with a strong commitment to professionalism and a focus on customer-centricity. We are very passionate about making the highest level of contribution toward the growth and success of our clients while conforming to the standards of the industry.

## OUR MISSION

We at Rigza Services commit to the mission of bringing excellent services to all those who seek it with one professional and one great job at a time. Our purpose comes to life through our key priority of performing better than our client's expectations. We strive to achieve great long-term relations with our customers by providing outstanding services in all fields with expert professionals.

## VALUES

We stand by and subscribe to the values of RIGZA i.e,

R- to bring Radiance to your dreams with Resourceful professionals.

I- to Inspire through Innovations giving wings to your Imagination

G- to achieve Greatness

Z- with Zeal to bring excellent services to every seeker

A- and stay Accountable to customers all the time.

At RIGZA, we hope to give wings to all the wonders of human creativity, by bringing Radiance to ideas that shape the future with Resourceful professionals. We work to inspire the coming generations through Innovations to imagine all the things real and magical. We strive to bring Greatness with our Zeal to bring excellent unsurpassable services to those who seek it with us. And at last, each one of us, promises, pledges, to be and stay Accountable to all those who have given us the opportunity to survive, grow and rise to the top; our esteemed clients.
